All of these items are available to you for immediate shipment. A small investment today will enable you to feature the same ware that all nation-wide chains are now offering. On the inside spread you will find the complete assortment of these SUMMER GLASSWARE SPECIALS that are shown in these windows.

THIS IS YOUR OPPORTUNITY

With the ever increasing shortage of metal utensils for Kitchen use, glassware is rapidly becoming one of the really important departments in the large chains. More counter space is being given it and promotions are becoming more frequent. Wide-awake Store Managers know that they must look to glassware, if they are going to maintain their Dollar Volume in household goods. This is your opportunity to do the greatest glassware selling job in your history.

Window Displays Sell Glassware

Below is another strong Glassware window by one of the LEADING nation-wide chains. Display windows such as this tell the side-walk traffic that a very complete line of glassware is being offered by this store. Customers looking for Glassware prefer to patronize the stores where they know complete lines are being offered. Besides, GLASSWARE is a recognized store-traffic producer.

Ask YOURSELF how long has it been since your stores put in COMPLETE GLASSWARE windows? Anyway, now is the time, while the summer season is just starting, to prepare for a good Glassware window with timely, hot-weather specials. Our "SUMMER GLASSWARE SPECIALS" will give you the right material for the best glassware window you have EVER had, and the results will pay you handsomely for your effort.

POOL CARS

Remember when you buy glassware from ANCHOR HOCKING you are assured of receiving the ware at the lowest possible laid-down cost—this because of our very extensive Pool Car service. Generally speaking, if your stores are located within a radius of 50 miles from any principal city they will automatically get the benefit of our Pool Car service, which means a substantial saving in freight charges over L. C. L. freight shipments.
